

## Group Project

### Final Deliverable: Project Showcase

---

#### Introduction

The initial plan for the last deliverable of the group project, each group was expected to showcase the finished application. You were expected to submit three deliverable items, i.e., Product Video, Digital Poster, and Presentation. However, due to a time constraints and to lessen your workload, we decided to reduce the deliverable to only one item, i.e., the **presentation**. The mark for the deliverable remains unchanged.

#### Requirements

- Prepare an **informal presentation** in a video about how the finished app developed by your group is in action.
  - You will create several scenarios about the users use the application.
  - Here, you will act out as the users of the application.
  - During the acting, you will also showcase the screenshot of the application.
- The presentation should include appropriate photographs, videos, music, and other visual aids
- Video duration: 5 minutes
- All group members must involve in the making of this deliverable. Members who do not appear in the video will get a ZERO mark.

#### Assessments

This deliverable carries 10% weightage for the final grade of this course. The breakdown of the weightage is as follows:

- a. Overall quality of the content (2%)  
*This includes the concept / main idea of the presentation, video editing effort, and completeness of work.*
- b. Organization of the presentation (2%)  
*The presentation or the acting was well structured and had an appropriate script. The video also showed the application's screen and the flow of user interaction*
- c. Creativity (2%)  
*The presentation (or the acting) was creative, fun, and engaging.*

- d. Deliver the message (2%)

*The presentation (or the acting) was able to convey the purpose / goal of the application, what it can do, how it is beneficial to its users.*

- e. Teamwork (2%)

*All members of the group contributed to the making of the video, and this deliverable had met the deadline.*

### **Submission**

- Deadline: Sunday, 24 July 2022, 11:59PM (MYT)
- Upload the video to YouTube.
- Submit the video link to eLearning.
