

## LEARNING RESOURCES

## TEACHING RESOURCES

## PARENTING RESOURCES

Here should be shown some pictures and benefit, so they will have interest to know and subscribe

Also can show the table of content

Thus, have to think

1.How to compress the display materials - The interface, scroll down or drop down (Recommended scroll down)

2 How to select- (Choose the latest and most interesting – should have PIC In choosing the best materials)

3. Display only or active button that can bring to subscribe or to display the real one (with limited access)

1. flip for current magazine (limited Pages for non-members),
2. Display horizontal list of previous editions.

3. What our magazine gives members?

**Last year, subscribers received:**

- ✓ 8 issues a year
- ✓ 30 exclusive lesson plans dedicated to literacy, history, science, maths and more
- ✓ 8 topic specials covering research, CPD, assessment, history, geography, RE, STEM, health and wellbeing, maths and music
- ✓ Tips and advice from hundreds of experts from organisations such as White Rose Maths, Education Policy Institute and Oak National Academy
- ✓ Giveaways worth over £8,000

4. Put table of content of the magazine (current and previous)-
5. Put also (What our reader said/ testimonial), can come with video/ letter/ picture

**What our readers say...**

"I have been an avid reader of Teach Primary magazine ever since I began teaching. It has supported me as a NQT and I continue to find the magazine articles useful as an experienced teacher and middle leader"

- Matthew Lane, Y6 teacher -

"Teach Primary is all those staffroom chats you wish you had more time for: an insight into the latest thinking or those excellent lesson ideas to try out with your own class. Each edition is a trip to a new school and excellent CPD"

- Farzana Iqbal, lower school leader -

"Teach Primary is an ideal magazine for the busy primary practitioner; it blends expert advice, high-quality resources and practical classroom strategies to ensure that after every issue, you feel more able to do what you do better each day"

- Robbie Burns, assistant vice principal -

1. subscribe as student/ parents or teacher

» SUBMIT

- Some description of each category (Writers/illustrators/ cartoonists /serial comics)
- Some example from the previous contribution
- Submit button
- Any open / close submission
- Thus, from the submission, where it will be displayed? 1 PIC will choose and categorize them

1. For materials, have drop down to search by primary level
2. **Complement curriculum** – Its good if we can have KPM to support us
3. For general knowledge only have facts and figure and creativity. Or video than follow the themes for that particular Mind loop edition

**HAVE TO MAP FOR THIS YEAR= FOLLOW THE SYLLABUS AND FIND THE DEVELOPER**

1. PUZZLE – The picture of the puzzle according to the theme of mind loop. Student can drag and drop or shuffle to do the puzzle
2. ARTS AND CRAFT – from mind loop or from submission
3. QUIZZES – Can be developed according to the theme in mind booster. Suggestion with answer

Video for the tips

Info graphic (downloadable /  
printable)

#### - TIPS

1. Video for the tips (it might be redundant with video), suggest to merge
2. Printable / Downloadable materials
3. LIVING SKILLS, STUDY SMART AND CITIZENSHIP – some can be redundant in video
4. TO differentiate, thus tips will be in infographic or text only, the video can be put under video (so same theme for tips and videos)
