WEEKLY PROGRESS REPORT

FEBRUARY

WEEK 19

14 Feb - 17 Feb 2023

Project Name	PIC	PIC (WEEK 19)	Status	Remarks/Challenges
EMPLOYABILITY PLATFORM	SUNIL	This week, I've been working on the Employability Program's Stripe payment gateway. 1. Invoice that is fixed. 2. Modified the invoice user interface and made it responsive. 3. A fixed footer.	On Going	Fecing some issue during retriving employability program data from database
EMPLOYABILITY PLATFORM	SANA	In this week I have worked on employability platform 1.I have worked on calculating total job advertisement and total job application. 2.Applying check box filters for cost using ajax. 3.Applying check box filters for category using ajax 4.worked on UI of view employability platform. 5.working on Assign career readiness test for students.	Completed	Learning new things
EMPLOYABILITY PLATFORM	BALARAJU	Hello, This week, I worked on Industry Search Talent (Employability Platform). 1.Obtaining information from student tables. 2.Created checkbox filters that are responsive to the page. 3.I worked on the user interface for the search talent task. 4.Created a view part for the task of finding talent (Student data should be visible here).	Completed	Learning how to given functionality for checkboxes.
EMPLOYABILITY PLATFORM	ABDUL	This past week, I worked on a project for the Employability Platform called [Statistic for Ep program (total enrollment, view Rating)]. 1. I worked on the table that shows the overall number of students enrolled in the EP program. 2. Create the User Interface (UI) for rating the EP program. 3. Create the User Interface (UI) for EP Program's recent ratings and feedback. 4. A new database was created to store the feedback and ratings of a specific student. 5. Worked on the capability to update the rating and feedback and store it in the database. 6. Get all the information about a certain programme for rating and feedback, which is then shown in a tabular format with the most current rating appearing first. 7. Worked on a table that shows the overall number of ratings for a specific EP program.	Completed	Faced the challenge of ensuring all feedback and ratings are accurately recorded and updated.
